

## Next Steps: Your Personalised Plan

### Module Summary

---

Congratulations on completing the Real Estate Rescue course. In this final module, you'll work on a personalised plan to put all the pieces together and step out to make your first offer on a property.

### Objectives

---

After completing this module, you should be able to:

- Implement a month-by-month review of the Real Estate Rescue manual while negotiating your first property deal

### Assignments

---

1. Watch the module video (see note-taking guide below)
2. Download and review the “Next Steps” document from the members-only portal on my website (<https://members.dginstitute.com.au>). Select the Resources tab in the Real Estate Rescue section, then Help Documents, or click on this link once you have logged in: [https://members.dginstitute.com.au/rer\\_resources/next-steps/](https://members.dginstitute.com.au/rer_resources/next-steps/)
3. Cross off any steps you have already taken
4. Post your edited “Next Steps” document where you can see it and use the plan for ongoing review and implementation of what you’ve learned in this course
5. Take the module quiz/survey

### Video Note-Taking Guide

---

In this final farewell video, Dominique Grubisa puts you on a path to success as a Real Estate Rescue expert and offers some valuable next-step opportunities.
